

Counselling Process

Please read carefully.

1. After Successful Candidate registration each candidate will have an email and password to login into their candidate area.
2. Each candidate will have different college in their preferences, Candidate can choose 3 different colleges as preferable college.
3. Before filling preferences every candidate are requested to go through previous year statics and closing rank.
4. Once you save your preferences, it is locked for whole counselling life.
5. After Round one counselling each candidate can see his /her allotment status in candidate area of respective users.
6. Those who get their 1st preference college will not get any other chance to upgrade his/her allotments status but who get 2nd or 3rd preferences college he/she may upgrade for the next phase round two counselling.
7. If he/she did not upgrade, he/she must take admission at the allotted college other wise he/she will be excluded for the counselling life.
